All engineering costs can be reimbursed within the USDA program. Vice Mayor Jordan commented that Prein Newhof noted that all work on the CIP can be completed within 6-8 months of beginning. Attorney Soltis explained that this agreement (initiated by the developer) is between the city and the property owner, and allows for procedures to be used for individual situations. The agreement ends when the use changes. Mayor Britigan mentioned his support for this as a “reasonable revision” and an opportunity to make it easier to do business in the city.
